With respect to the foreign patent references which are not in the English language, it is submitted that:

- no US counterpart has been detected for German reference DE 19527715. It is believed that the drawings therein are sufficient to illustrate the relevance of the reference; and

- it is submitted that a US counterpart is available for French reference FR 2722596 although we do not have a copy. If the US Examiner deems necessary, we will provide a copy of that reference.

The Information Disclosure Statement is being filed before the mailing date of a first Office Action. Applicant believes no fee is due at this time.

If any fees are owed in connection with this communication, please charge Deposit Account No. 18-2284. (A duplicate copy of this communication is enclosed for that purpose.)

Consideration and citation of the references are respectfully solicited.

Respectfully submitted,

By:
